Using food or a toy to induce performance will result in a 20-point fault. Food and toys cannot be visible or audible while the dog is performing. Sections 5.2.2.11 and 5.2.2.12 provide additional details. Questions regarding this rule change will be addressed during the General Briefing each day of the trial.

Games Classes

Games I - All dogs shall be eligible for participation in this class. There shall be no grandfathering of titles from other organizations.

Games II - Only dogs who have earned Games I (TG1) shall be eligible for participation in this class.

Games III - Only dogs who have earned Games II (TG2) shall be eligible for participation in this class.

Cowboy Dog-This is a numbered course which includes among the obstacles a barrel. The dog's turn around the barrel must be clockwise (counterclockwise turn is a wrong course). When a barrel is used with other agility obstacles it should be plenty of real estate on every side so that it stands apart. Give the dog and handler room to work. Scoring Cowboy Dog is scored time plus faults. The lowest score wins.

Jackpot-Jackpot is run a game where handler determines what obstacles and direction to send dog. The Dog must earn required points for their level, in the stated amount of time. Judge may specify certain sections on the course the dog can earn extra point values by performing a section judge specifies. Jackpot is scored Points, Then Time.

Colors- The objective is to successfully negotiate one of two overlapping agility mini-courses. The handler may choose which course to run. Each course is labeled with colored markers. Scoring Colors is scored Faults, Then Time. The winner is the dog with the fewest faults.

Jumpers- Jumpers courses consist only of hurdles and tunnels. The dog is required to run the course in the sequence indicated by the judge. Follow the numbers. And keep the bars up is judge. Scoring Jumpers is usually scored Faults, Then Time, the winner being the dog with the fewest faults. If two dogs have the same number of Faults, Then Time breaks the tie.

For more information on these games the Book of Agility Games is available; please visit: k9tdaa.com. Judges reserve the right to adapt any game played. Day of show rules supersede all others.

We  our volunteers! Please sign up on the WHITE BOARD to help. We can't run these trials without **your help!**

Jump Height Divisions:

TDAA offers the following Jump Height Divisions: 2", 4", 8", 12", 16". Owners/handlers are responsible for entering their dog at the proper height division, both the dog's measured jump height and the height at which they want their dog to jump at the trial. Per TDAA rules, dogs may be entered at any jump height desired; however, the scoring height continues to be the dog's measured jump height. Dogs jumping at a height other than their measured height will earn qualifying legs and all TDAA titles. The judge reserves the right to measure dogs entered in any trial. Any dog that has not previously competed at a TDAA trial must be measured before competing.

Jump Height Exemptions (only applicable for National or Regional Competitions):

In national or regional competitions, such as the Petit Prix, dogs are required to jump at their measured height, as adjusted for any jump height exemptions to which they are entitled. Jump height exemptions are provided for dogs that are long-backed, have a weight-to-height exemption, or who have dwarfish legs (see k9tdaa.com, TDAA Rules and Regulations, Sec. 3.5.3 for descriptions of jump height exemptions). A jump height exemption (next lower height) will also be granted to veteran dogs (dogs at least 7 years of age) and a second exemption (two jump heights) will be granted to "double digit" veterans (dogs at least 10 years of age). You may subtract one height for veteran status, one for double digit veteran status, and one for body exemption from Measured Jump Height.

Disabled Handlers: A time exemption will be granted to disabled handlers amounting to 4 seconds in Standard course times and in qualifying course times for Games classes. Proof of disability shall be a copy of the handler's disability parking tag or other official documentation, which must be included with the entry or presented at check-in at the trial.
